

No : 2012/35

Ref.for: Aloha Group

14 February 2012

To Whom It May Concern,

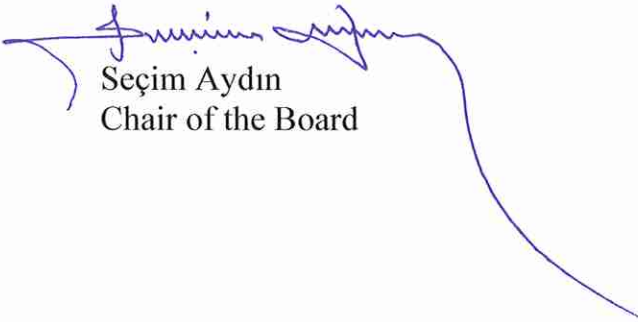

Aloha Tourism, a subsidiary of Aloha Corporate Group, has contributed a lot to tourism sector with its experience, successful works, and investments within the sector.

Under the circumstances, the Group will also play an important role in improving the health tourism potential in Turkey through its future investments in health tourism.

Within the context of the Turkish Government's goal to develop the health tourism in Turkey by 2023, capital city Ankara has a vital role and the improvement of both health tourism and tourism industry in Ankara will make major contributions on Turkey's 2023 goals.

Aloha Group's investment to construct a health facility in Ankara is greatly appreciated by our Association, since it is one of the investments to be supported.

Best regards,

Seçim Aydın
Chair of the Board
